# **Ping Pong Tournament**

On 7 March we hosted a single's ping pong tournament at Wright Field Fitness Center. We turned the basketball courts into a 5-table ping pong hotspot, where 26 individuals came out to take a swing at the competition. After defeating 6 opponents in a double-elimination tournament, Mannie Williams is now declared your WPAFB ping pong champion!

# **Esports Game Night**

This year we hosted our first ever esports gaming event. Air Force now recognizes

esports as part of their sports and fitness programs. This event included three different games: Madden, Super Smash Bros, and Halo Infinite. Fitness and sports partnered with the youth center to provide gaming consoles, controllers, and monitors for the event. All participants received AF Gaming swag, and the winners of each game went home with FSS gift cards. We are continuing to grow this realm of sports, so if you are interested, look for upcoming esport events or contact the sports office for more information @ 937-656-5961.

## **Ultimate Dodgeball Tournament**

This April we hosted our 4<sup>th</sup> annual Ultimate Dodgeball Tournament at Jarvis Fitness Center. We had a full 12-team tournament that brought out over 96 players, and dozens of fans cheering on their teams. With the sponsorship of First Command, we were able to provide custom t-shirts for all participants. To go along with having their teams' name engraved on the coveted "Wrench Trophy", the winning team also received a pizza party and a framed photo of their team from the on-base organization SAPR. This year, going fully undefeated, the winning team was "Front Line" out of NASIC/GSI.

Thank you to all teams and fans who came out to compete and support in this years tournament!

### Sand Volleyball

This April we reopened the sand volleyball pits located next to Jarvis Fitness Center. Adding 26 tons of sand, and cleaning up the surrounding area, these volleyball pits are now open to all on a first-come first-serve basis.

Our intramural sand volleyball league also starts back up on 12 June. If you haven't already, fill out a roster registration form and turn it into the sports office. This is a 3v3 league that runs from June-August.

# Volunteer Work

SCAN THE OR CODE FOR MORE INFORMATION AND REGISTRATION

This past month our team was able to support Earth Day efforts on 22 April, by going to the Oaks Quarry Park in Fairborn. We constantly maintain the appearance of our facilities and outdoor fields on base, but by partnering with other organizations we were able to make an impact on the community around us as well.
